# PORTABLE, TRANSPORTABLE AND MOBILE PLANT AND MOBILE MAINTENANCE TRAIN COMPETENCE FRAMEWORK (VERSION 7 dated 15/07/2024)

**Key**

- B — Competence attained vie briefing
- C — Competence attained vie training
- PTMP Only
- MMT Only
- Mixed (Infrastructure or Depot)

**Depot Plant Framework**

**Core Module (elearning)**
Safe use of Portable & Transportable plant
**PTMP00**
elearning every 5 yrs

**MMT Operating Safely**
NR
Re-assessment every 4 yrs

- MMT Creep Mode Operator **MMT CM Op**
- MMT Tail Lift Operator **MMT TL Op**
- MMT Hoist Operator **MMT H Op**
- MMT Sidewall Operator **MMT SW Op**
- Pressure Intensifier **PTMP06.05**
- Extraction Unit **PTMP25.01**
- Hydraulic Rail Lifter **PTMP05.08** or Clipping Machine **PTMP04.10**
- Hydraulic Rail Lifter **PTMP05.08**
- Railhead Profile Grinder **PTMP03.11**
- Vertical Tamper **PTMP06.06**
- Impact Wrench **PTMP04.11**
- Battery Rail Drill **PTMP02.06**

- C — Safe use of generator equipment **PTMP01** — Re-assessment every 5 yrs
- C — Rail drill **PTMP02.01** — Re-assessment every 4 yrs
- C — Wood Sleeper drill **PTMP02.02** — Assessment every 50 yrs
- C — Magnetic Mounded drills **PTMP02.03** — Assessment every 50 yrs
- C — Cold bolt expansion equipment **PTMP02.04** — Assessment every 50 yrs
- B — Pillar drill **PTMP02.05** — Assessment every 50 yrs
- C — Cutting & grinding equipment (abrasive wheels/ hand held disc cutter/ angle grinder) **PTMP03.06** — Re-training every 4 yrs
- C — Rail mounted disc cutter **PTMP03.01** — Re-training every 3 yrs
- C — Switch grinders **PTMP03.02** — Re-training every 4 yrs
- C — Plain line grinders **PTMP03.03** — Re-training every 4 yrs
- C — Crossing grinders **PTMP03.04** — Re-training every 4 yrs
- C — Weld Trimmer **PTMP03.05** — Does not expire
- C — Hydraulic Web Grinder **PTMP03.07** — Does not expire
- C — Pin Brazing Using the Safetrack Econect **PTMP03.08** — Does not expire
- C — Cembre Automatic Disc Cutter **PTMP03.09** — Re-training every 5 yrs
- C — Robel Band Saw **PTMP03.12** — Re-assessment every 5 years
- C — Huck bolt fastener **PTMP04.01** — Assessment every 50 yrs
- C — Hydraulic spike extractors **PTMP04.02** — Re-assessment every 5 yrs
- C — Rail clippers, Track fastening de-clipping machine **PTMP04.03** — Re-assessment every 5 yrs
- C — Coach screwing and fishbolt fastening machine **PTMP04.04** — Re-assessment every 5 yrs
- C — Impact wrenches **PTMP04.05** — Assessment every 50 yrs
- C — Rail clippers, past clips **PTMP04.06** — Re-assessment every 5 yrs
- C — Rail clippers, track fastening rusty clip extractor **PTMP04.07** — Assessment every 50 yrs
- C — Rail joint straighteners **PTMP05.01** — Re-training every 5 yrs
- C — Hydraulic Tensors **PTMP05.03** — Re-training every 4 yrs
- C — Sleeper squarer **PTMP05.04** — Does not expire
- C — Rail gap adjusters **PTMP05.05** — Does not expire
- C — Handheld stone blower **PTMP06.01** — Does not expire
- C — Compacting breaking & digging equipment (tamping hammer/ vibration plate / rammer / ground breaker) **PTMP06.02** — Re-training every 5 yrs
- C — Stihl Handheld stone blower **PTMP06.04** — Does not expire
- C — MPRH **PTMP07.01** — Re-training every 3 yrs
- C — Jacking trolley **PTMP07.02** — Does not expire
- C — Scooters and skates **PTMP07.05** — Re-assessment every 5 yrs
- C — Jacks **PTMP07.04** — Re-training every 4 yrs
- C — Portable lighting towers (**Lighting towers:** VT1 9m/ ALT600/ AL 4000 / LTC4L / MT/ MG5000 IDAEY Diesel Engined **Mast Lights:** four head / single head/ twin head/ **Mini Lighting towers**) **PTMP08.01** — Re-training every 5 yrs
- C — Wood chipper **PTMP09.01** — Assessment every 50 yrs
- C — Bush fighter **PTMP09.02** — Re-assessment every 3 yrs
- C — Line side plant (brush cutter / strimmer / hedge trimmer **PTMP09.03** — Re-training every 4 yrs
- C — Post Hole Borer **PTMP09.04** — Assessment every 50 yrs
- C — Bush fighter Familiarisation **PTMP09.06** — Re-training every 4 yrs
- C — Engine Driven Post Puncher **PTMP09.07** — Assessment every 50 yrs
- C — Safe use of Chainsaws (content under LM Codes in Oracle) — Re-training every 36 months — Certificated by City and Guilds @ level 2&3 — Example of Training required could include: Lantra — Comp Codes: (LM30), (LM31), (LM30, 30.01, 30.02 & LM31), (LM48), (LM48), (LM32), (LM38.1), (LM38.2), (LM38), (LM39), (LM34), (LM35), (TBA), (LM40), (LM41), (LM47). Course descriptors can be found in Oracle
- C — Electric needle guns **PTMP10.01** — Does not expire
- C — Hydraulic pole dropper **PTMP11.01** — Re-assessment every 5 yrs
- C — Spring pole dropper **PTMP11.02** — Assessment every 50 yrs
- C — VMS Hydraulic Signal Post Dropper **PTMP11.03** — Re-assessment every 4 yrs
- C — Thomson Signal Head Hoist **PP83** — Assessment every 50 yrs
- C — Operate Pandrol Vanguard Assembly Tool **22.01/PP84** — Assessment every 50 yrs
- C — Safe use of scaffold equipment (CITB Inspection) **PTMP12.01** — Re-training every 5 yrs — Certificated by suitable training providers — Example of Training required could include: *PASMA *CISRS *CITB
- C — Safe use of scaffold equipment (Towers) **PTMP12.02** — Re-training every 5 yrs — Certificated by suitable training providers — Example of Training required could include: *PASMA *CISRS *CITB — Trolley mounted scaffold will require: **PTMP16 & PTMP12.02**
- C — Cable avoidance equipment operator (cat & geny) **PTMP13.01** — Re-assessment every 4 yrs
- C — Nail gun equipment (gas & cartridge operated) **PTMP14.01** — Assessment every 50 yrs
- C — Railhead cleaning unit **PTMP15.01** — Does not Expire
- C — Safe use of trolley equipment **PTMP016** — Re-assessment every 5 yrs
- C — Safe use of Powered Trolley **PTMP16.01** — Re-assessment every 5 yrs
- C — Safe use of Movex Stair Climber **PTMP16.02** — Re-assessment every 5 yrs
- C — General lifting & moving equipment (tail lift) **PTMP17.01** — Does not Expire
- C — Swing lift crane **PTMP17.02** — Does not Expire
- C — Winches **PTMP17.03** — Does not Expire

## PTMP 18 Competencies

- C — Mobile elevated working platforms **PTMP18.01** — Awarded on successful completion of relevant training — Certificated by IPAF — Valid for 5 yrs. Recert - Half day of training if logbook is up to date, if not or if competency has expired then a full course is required. — Oracle aligned with IPAF training
- C — Loader Cranes **PTMP18.02** — Awarded on successful completion of relevant training — Certified by ALMI — valid for 5 yrs. Recert – 1-day training course if the student can demonstrate 15hrs usage in a year, if not or if competency has expired then a full training course is required. — Oracle aligned with ALMI
- C — Skid steer loader **PTMP18.03** — Awarded on successful completion of relevant training — Certified by NPORS — Valid for 3 yrs. Recert route of declaration by post or retest for NR staff is not suitable, staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Telehandler **PTMP18.04** — Awarded on successful completion of relevant training — Certificated by RTITB — Valid for 3 yrs. Recert - 1 day refresher course which then awards a further 3 year licence. — Oracle aligned with RTITB
- C — Folk lift truck **PTMP18.05** — Awarded on successful completion of relevant training — Certificated by RTITB — Valid for 3 yrs. Recert - 1 day refresher course which then awards a further 3 year licence. — Oracle aligned with RTITB
- C — Excavator (under 10 tonne) **PTMP18.06** — Awarded on successful completion of relevant training — Certified by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Dumper truck (forward tipping) **PTMP18.07** — Awarded on successful completion of relevant training — Certified by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Mini Cranes **PTMP18.08** — Awarded on successful completion of relevant training — Certificated by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Road / Pavement Rollers (ride on) **PTMP18.09** — Awarded on successful completion of relevant training — Certificated by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — 360-degree Material Handler and Operator (over 10 tonne) **PTMP18.11** — Awarded on successful completion of relevant training — Certified by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Wheeled Loading Shovel **PTMP18.12** — Awarded on successful completion of relevant training — Certified by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Articulated Dumper **PTMP18.13** — Awarded on successful completion of relevant training — Certificated by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Tractor Bowser **PTMP18.15** — Awarded on successful completion of relevant training — Certified by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — Slinger **PTMP18.10** — Awarded on successful completion of relevant training — Certificated by NPORS — Valid for 3 yrs. Recert - staff must undertake a 1-day refresher training course with test via an accredited training provider. — Oracle aligned with NPORS
- C — ABS & trolley **PTMP19.01** — Re-assessment every 5 yrs
- C — Rail sprayer & trolley **PTMP20.01** — Assessment every 50 yrs
- C — OLE winching equipment (grip winch/ battery powered winch) **PTMP21.01** — Re-assessment every 4 yrs
