

Recognise the hazards

“Before I start any piece of work I think about what could hurt my team today.”

Gary Chambers, frontline leader, Darlington Park Lane

Think **RISK**

SAFE WORK

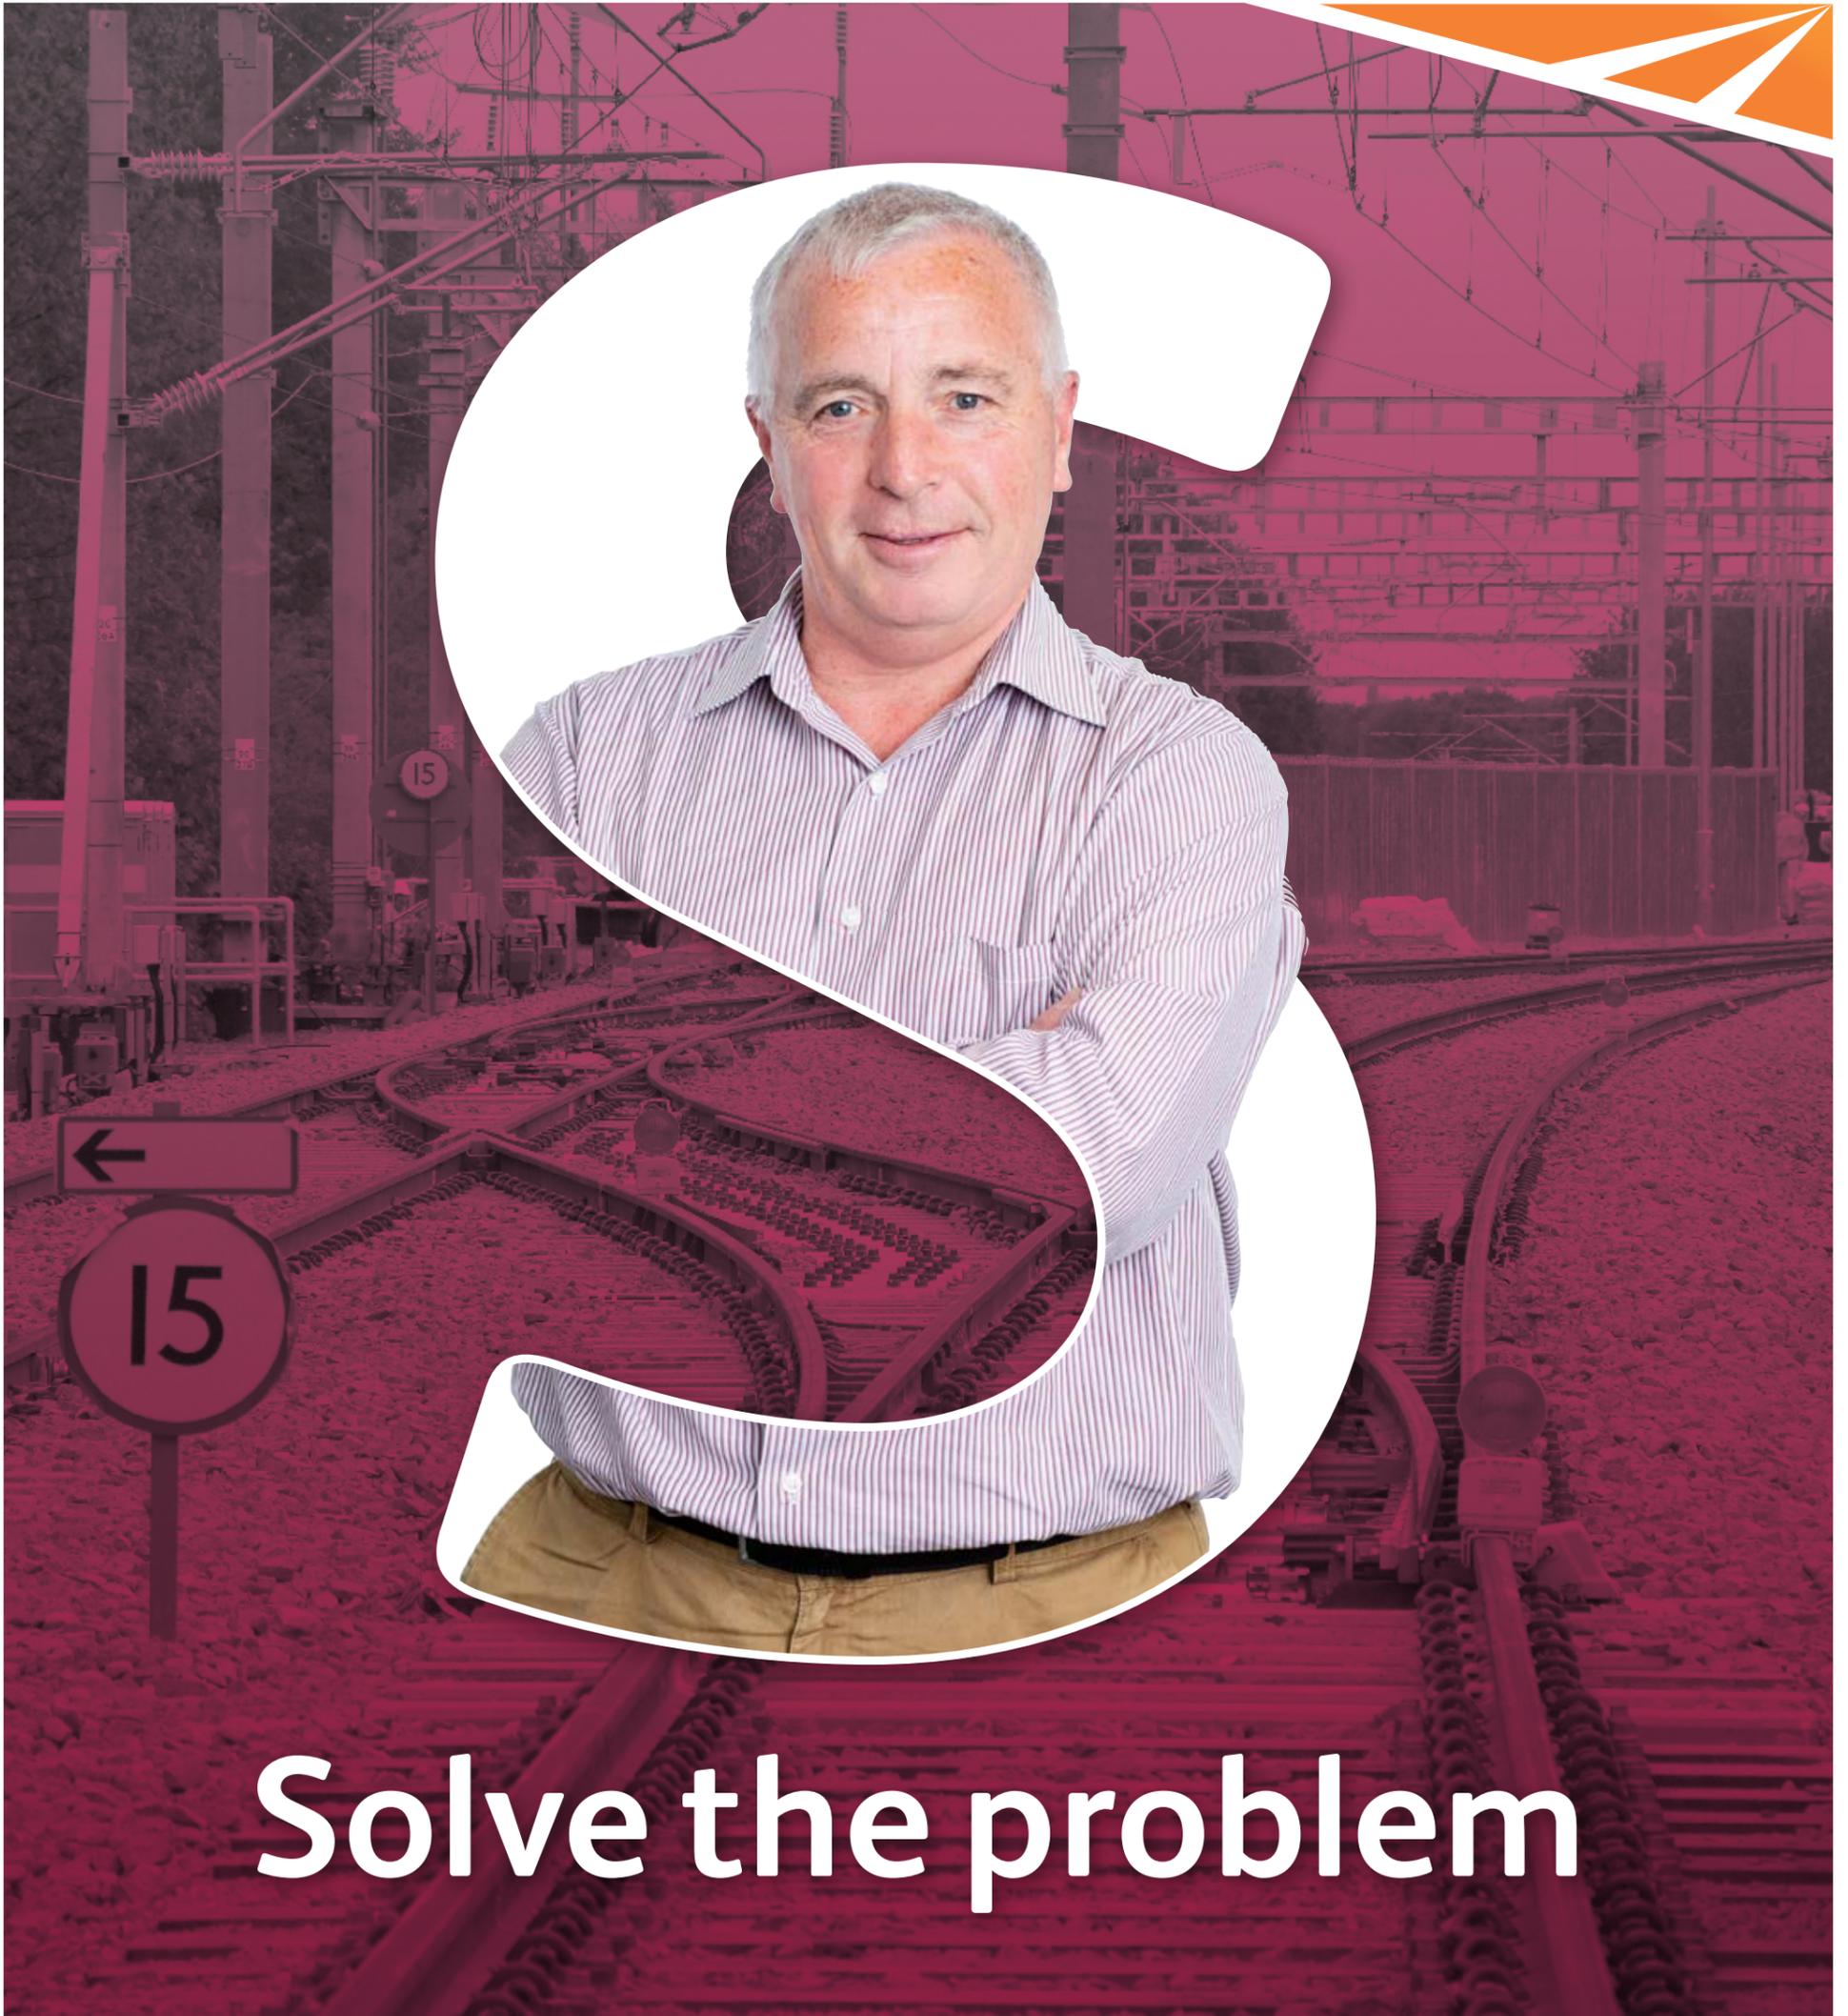

Inform others

“My duty to my team is to inform the relevant people when I see risks so we can maintain a safe workplace.”

Claire Volding, local operations manager, North London Line

Think **RISK**

Solve the problem

“All colleagues should be aware of and remember the Work Safe Procedure to help solve issues that may arise.”

Ian Gibb, Workforce Health, Safety and Environmental Advisor, Basingstoke
