

In rail, one of
the greatest
risks is the road

That's why we're
launching Drive Safe.

Drive

Safe

A yellow Network Rail truck is driving under a bridge. A circular height restriction sign above the truck indicates a limit of 4.7 m (15'6"). The truck's front and side are visible, with 'Network Rail' branding. The bridge structure is rusty metal with yellow and black diagonal hazard stripes. The background shows a blue sky with clouds and some greenery on the left.

**We can't take
a possession
of the roads**

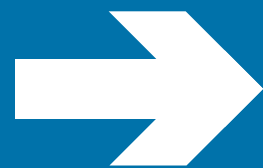

**Driving is one of our
highest risk areas.**
