

# INTRODUCING THE PERSON IN CHARGE

Want to know who has overall  
**responsibility** for your worksite?

LOOK FOR THE  
**WORKS  
MANAGER  
ARMLET**

Black & White Works Manager Armlets are being used in High Output Track Renewals worksites to identify the Person in Charge on the site.

**The person wearing a Black and White Armlet will:**

- Set the standards for site safety
- Monitor site conditions
- Be your point of contact if you have questions or safety concerns about the job you are working on
