

# National Health & Safety Week

## Building on success

A second joint National Week of Health & Safety Activity  
will be taking place **Sunday 2 to 8 April 2017**

Network Rail and the Trade Unions are endorsing another week of joint activity, when all recognised safety representatives and responsible managers; in all roles, shifts and functions are encouraged to plan specific joint activity around **Reporting and Closing out Close Calls**

Contact your local Trades Union Health and Safety Representative for more information, and look out for our National Health and Safety Week leaflets.
