

## Ford Focus VTS Terminal Location

Date: 09/02/2017

This document has been created to provide employees with information on the most appropriate location for VTS placement on the above vehicle type.

The position of the terminal has been agreed between Network Rail and Traffilog to ensure driver and passenger safety and installers must fit terminals to this specification.

Fig 1

Fig 2

### Position 1 ✓

- ✓ No impact on driver's field of vision
- ✓ Within reach of driver
- ✓ No impact on driver controls

### Position 2 ✗

- ✗ High dashboard means the VTS screen would impact the drivers field of vision
- ✗ Central air vents would be covered

### Position 3 ✗

- ✗ Not sufficient space to locate the VTS terminal to the right of the steering wheel
- ✗ High dashboard line would interfere with driver's field of vision
