

Vauxhall Combo 2013 VTS Terminal Location

Date: 09/02/2017

This document has been created to provide employees with information on the most appropriate location for VTS placement on the above vehicle type.

The position of the terminal has been agreed between Network Rail and Traffilog to ensure driver and passenger safety and installers must fit terminals to this specification.

Fig 1

Fig 2

Position 1 ✗

- ✗ Passenger accident impact zone
- ✗ Covers central vents and heating controls
- ✗ Long reach for driver
- ✗ Low line of vision for navigation use

Position 2 ✗

- ✗ High position interferes with driver's field of vision
- ✗ Radio display obscured

Position 3 ✓

- ✓ Minimal impact on field of vision
- ✓ Close to driver
- ✓ No impact on driver controls
- ✓ Not in accident impact zone
- ✓ Within field of vision
