

Volkswagen Passat 2017 VTS Terminal Location

Date: 24/07/2017

This document has been created to provide employees with information on the most appropriate location for VTS placement on the above vehicle type.

The position of the terminal has been agreed between Network Rail and Traffilog to ensure driver and passenger safety and installers must fit terminals to this specification.

Fig 1

Position 1 X

- X Long and low reach for driver
- X Low line of vision for navigation use

Position 2 ✓

- ✓ Minimal impact on field of vision
- ✓ Close to driver
- ✓ No impact on driving or radio controls
- ✓ Within driver's field of vision whilst looking at the road

Position 3 X

- X No space to right of steering wheel to mount terminal
