

# VW Golf 2012 VTS Terminal Location

**Date: 09/02/2017**

This document has been created to provide employees with information on the most appropriate location for VTS placement on the above vehicle type.

The position of the terminal has been agreed between Network Rail and Traffilog to ensure driver and passenger safety and installers must fit terminals to this specification.

Fig 1

Fig 2

## *Position 1* X

- X Passenger accident impact zone
- X Covers radio controls & screen
- X Long reach for driver
