SAI25 who needs to complete training or briefing?

NR/L3/ELP/SAI25 working on about overhead line equipment (SAI) has been expanded to cover the Routes in Scotland and Southern, for compliance in January 2026..

Where introduced, SAI25 replaces NR/L3/ELP/29987, also known as the Green Book. Implementation is staggered through 2025 and lead by regional teams who will notify their internal and external teams when training and briefing is required.
