

BURNING ISSUES

Fire can kill. Know the drill.

SAFETY
365

QUICK FIRE FACTS

1. Raise the alarm
2. Evacuate the premises/worksite
3. Call the fire brigade
4. Stay out
5. Don't put yourself at risk

There are no second chances with fire. Make sure you know the drill by logging onto the Oracle e-business suite from your desktop and **taking our fire safety e-learning module.** Contact your line manager for further information.

Fire can kill. Know the drill.
