

How to access Network Rail's Stand Up for Race Equality Briefing Materials

To lead a Stand Up for Race Equality briefing in your organisation, you will need:

- 1. **The Briefing Materials.** This will be shared on a screen whilst you deliver the Stand Up briefing, so that all attendees can see the materials and videos.
- 2. **The Facilitation Guidance**. This guidance provides all the information and support you will need so that you can confidently deliver a briefing, whether you are a line manager, a facilitator or someone hosting a briefing session.

You will need to download these two resources on our Safety Central webpage.

Once you have downloaded the Briefing Materials, you will need to unzip them into a local folder, then launch the .html file.
