

29th March 2019

Dear Sir/Madam,

### LC DIST Re-brief Briefing

Following the serious incident on Godinton substation in Kent on 20th December we are writing to all those businesses who sponsor staff with the Sentinel competences that permit entry into electrical distribution buildings. The incident has already been covered in two safety bulletins but there is important new learning which we have decided must be re-briefed to everyone with the following competences:

- Level C DIST,
- Level B DIST (ACi, ACi+DCi),
- Level A DIST

Once the people that you primary sponsor have had the re-brief (in person, not by just distributing the written material) you will need to update the profiles of all those with the relevant Sentinel competences.

The [LC DIST Re-brief materials](#) are available on Safety Central.

To add an event to a card holder, click 'Event Notification' on your System Dashboard.

- a) enter the Event Date
- b) enter the Card Holder's Sentinel Number
- c) select the Event Name from the drop down box
- d) click 'Save'

**If you have any questions on how to add the event to the profile, please contact:  
Sentinel Helpdesk on 0330 726 2222**

Yours sincerely,

**Ellen Wintle  
Chief Mechanical & Electrical Engineer**
