

Stay safe at level crossings. Stop, look and listen.

Every level crossing is different, take time to read the signs and follow the instructions on how to cross safely.

Ignoring them puts yours and others lives at risk.
You could also be breaking the law.

A horizontal bar with alternating red and white rectangular segments, resembling a railway crossing barrier.

**Stop, look and listen
at level crossings**

Follow these **important** rules to stay safe at a level crossing.

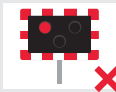

Stop

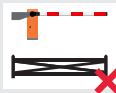

Look

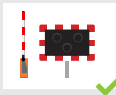

Listen

**Do not cross
when the lights
are flashing.**

**Do not jump the
barriers or gates.**

**Only cross when
the barriers are
up and the lights
are not flashing.**
