

Slips, trips and falls are the main cause of accidents in stations.

Give yourself enough time to get through the station and watch your step on stairs or escalators.

Rushing through stations can put you and others at risk.

Stay safe in stations

Top tips for staying safe in a station:

Look where you are going.

Hold the handrail.

Stand back from the platform edge.

Do not run on stairs or escalators.

Use step free routes with luggage.

If you drop something on the track, leave it.
